

### **Choose for Springtime Feeling**

Let go of Winter doldrums,  
The tendency to brood,  
Let not the dark and cold grey sky,  
Cause a downward mood.

The weather in your Mind, dear,  
Choose sunshine, warm and bright,  
A springtime feeling can be had,  
Choose for loving light.

Relish in the *newness*,  
For *newness* is love's way,  
We're joined as One *within*, dear,  
Joy fills up our day.

A Mind that's joined with Me, dear,  
It's like a garden's bloom,  
Love, like springtime flowers,  
Dispels the Winter's gloom.

Let your Mind in joining,  
Be filled Transcendently,  
God's Will for you is given,  
Live life authentically!

You have the power to join, dear,  
Free will is yours to use,  
Live in joy with Me, dear,  
Freely, you may choose.

Choose for your right Mind, dear,  
Let ego's darkness go,  
The bright sweet light of truth, dear,  
*God's rightness*, now you know.

Always choose for spring time,  
Within your Mind, my dear,  
As we join together,  
Newness, always here!
