

Let Not Your Heart Be Troubled

Let not your heart be troubled,
Find peace with Me this day,
Cast off your cares and worries,
Your fears, with Me, allay.

Each day joined there with Me, dear,
You'll feel life as brand new,
Love will light the way for us,
We'll follow what is true.

No impediment will stop us,
Nor bumps along the way,
Listening to the Voice for Truth,
Forward we'll go each day.

You agreed to help the world,
To point the way to light,
To tell the world I'm right within,
To open blinded sight.

They need to know they're loved, dear,
Not random, nor alone,
They are direct inheritors,
To God, each one, well known.

Renew your dedication,
Resolve to stay with Me,
Your mission will be clear now,
Single-minded you will be.

Transcendent Mind is yours, dear,
And for the entirety,
Join within and find it,
Here lies your destiny.

Let not your heart be troubled,
I'm here to comfort you,
To guide you in your mission,
Love's light will see us through.

In closing here's a blessing,
Words which you have known,
I am with you always,
You are not alone.
