

## **Timeless Grace**

You're well aware as time goes on,  
That you're no longer young,  
That youth with all its loveliness,  
Its song has now been sung.

Gone are some abilities,  
Some losses from life's cup,  
Aging packs a wallop,  
So much you must give up.

You may have lost some loved ones,  
Did sickness play a role?  
Many diverse losses,  
Have taken such a toll.

And yet, *within*, I 'm here, dear,  
To help you, see you through,  
Your Comforter, Your Dearest Friend,  
Each day, I'm here for you.

Through hardship, pain, and tears, dear,  
Love will light our way,  
This love that is God's meaning,  
Is truly our mainstay.

Right now if you are troubled,  
Find peace, then ask for Me,  
Alone no more forever,  
I'm here, dear one, you'll see.

In spirit, dear, you'll know that,  
Aging has no place,  
Your spiritual reality,  
*Is filled with timeless grace.*

In closing let Me say again,  
My Presence never done,  
Forever I am with you,  
We move, in love, as One.
