

## **Healing is Your Birthright**

Healing is revealing,  
Who you really are,  
Perfect, whole, and free, dear,  
You are God's Shining Star.

Illness with its disruption,  
Its imposition rude,  
Will heal when *love* is brought to bear,  
And you will be renewed!

I'm standing at the floodgates,  
To open up the spill,  
Where *love* flows forth abundantly,  
Washing away all ill.

Through *love* I am the healer,  
Your Great Physician, there,  
Transcendent Mind with *love* will bring,  
Its light — to heal, repair.

*Love's* energy has function,  
God's meaning shining through,  
It function's to redeem and heal,  
And there you are — brand new!

This is not just wishful thinking,  
A simpleton's sweet dream,  
Healing is your birthright,  
*Love's* light — a healing stream,

Will bring you back to Wholeness,  
God's inherent state,  
As One with Him you're perfect,  
And dear, *it's not too late*.

Always, I am with you,  
Within, in peace, find Me,  
I am your Great Physician,  
With *love*, I'll set you free.

No longer will you be troubled,  
In body, mind, or soul,  
Radiant joy will fill you,  
You're perfect, free and whole!
