

A Time for Reconnecting

A time for reconnecting,
Let separation go,
Join with your sure foundation,
Love's healing light, let flow.

Let idle drifting go, dear,
Listless, alone, you feel,
Now ego spreads its falsity,
Join Me, for what is real.

We know you've lost a loved one,
A sister and a friend,
She was a kindred spirit,
Too soon, her life did end!

It was her time to leave, dear,
Her time on earth was through,
God knows the reasons why, there,
Someday, you'll know why, too.

Letting go's a process,
It takes time to grieve,
Some day your smile will return,
And joy, you will receive.

She's here with Me and happy,
Now home, she feels relief,
She says, stay true to Jesus,
Stay strong in your belief!

Your time on earth's not done yet,
You have much more to share,
Tell people about Jesus,
That He's *directly* there!

Your mourning will subside, dear,
Your days soon bright and new,
Remember we are One, dear,
And love will get you through.
