

Let Love Fill Your Cup

Trust that what unfolds for you,
Is truly what God wills,
Each moment that unfoldeth,
Your heart, with love, He fills.

Love will bring its newness,
Revitalization there,
The old is gone forever,
Gone is ego's glare.

Dreams that were unsettling,
That caused anxiety,
Are something to awaken from,
No place in reality.

Let love fill up your cup, dear,
Drink its power to heal,
Quenching and fulfilling,
Whole, complete, you'll feel.

Now, in the very present,
You are God's point of light,
Fulfilling Divine Purpose,
To help heal blinded sight.

Trust My wisdom given,
Follow what you hear,
Trust that next steps taken,
God wills for you, My dear.

You'll not be overwhelmed nor stressed,
I'll tell you what to do,
'Twill be the perfect movement,
Just right, right now, for you.

A little poem of encouragement,
To ease you on this day,
Go forward now in peace, dear,
I'm with you all the way!
