

Deep Peace

Deep peace, it holds infinity,
Endless, timeless, there,
Not empty, as it bringeth forth,
Transcendent Mind to share.

This means it's filled with *living love*,
God's energy of life,
Renewing and redeeming,
Erasing fear and strife.

Deep peace, God's gift, inherent,
Just turn *within* to find,
Let go ego's cacophony,
Behold! Your Peaceful Mind!

A place, a space, a state, there,
A sanctuary home,
Here, we join as One, dear,
You need no longer roam.

The Welcome Sign held high, dear,
Deep peace awaits you there,
Joy fills up your Mind, dear,
As *living love* we share.

Right now, this very moment,
When you have called to Me,
My constant loving Presence,
Will join you eagerly.

Eager to bestow to you,
The Truth! You're so much more!
A kindred spirit, One with Source,
What joy we have in store!

Let peace fill up your mind, dear,
The requisite atmosphere,
For joining and all its marvels.
So you will plainly hear,

That you are deeply loved, dear,
In peace, this fully known,
I am with you always,
You are not alone!
