

I Am Your Life Line

The world, it's not ready,
For what it has in store,
A giant conflagration,
Where much of life's no more!

We turn our heads away now,
Don't want to see what's there,
A world where precious lives are gone,
.We'll weep in great despair!

I can't avoid this message,
Though most don't want to hear,
A war like this, most possible,
Encroaching, ever near.

I get no joy in telling you,
Who'd want to spoil your day?
Yet *urgently* I'm calling you,
To heed these words I say!

Each one who reads these words, now,
Turn within to Me,
The guidance that I give you,
Reveals true sanity.

Each situation's different,
Yet for all this advice's true,
Turn within to Me because,
I have the Transcendent View.

E'en now before it happens,
I urge you turn to Me,
I truly am your life line,
Your true necessity.

I see right where you are, dear,
What moves that you must make,
To survive the devastation,
The steps that you must take.

E'en the scribe must listen,
Wants this post to go away,
Randi, listen to Me,
You need do what I say!

I'm not into conspiracy theories,
No thrill in this alarm,
I'm imploring you, it's urgent,
The future holds great harm!

Heed the words here given,
Now quiet thinking mind,

I'll guide you to your safety,
Truth, in love, you'll find.

Your survival so important,
To deal with the wreckage there,
Joined in truth, your value,
Immense; beyond compare.

Let *joining* be the action,
Your free will chooses there,
I'm here to safely guide you,
Love truly, will repair!
