

## **Faith In The Unfolding**

Your faith in the unfolding,  
Comes from faith in Me,  
As we join together,  
My truth brings clarity.

Listening with intention,  
Not reshaping what I say,  
To fit your expectations,  
So truth I can convey.

Words that carry meaning,  
Pertinent and true,  
To what is now unfolding,  
To what is now brand new.

You'll live with calm assurance,  
A peaceful state of Mind,  
For I abide right with you,  
A loving friend you'll find.

No matter what unfolds, there,  
E'en a catastrophe,  
We live and move as One, dear,  
Place trust, place faith, in Me.

Let not fear, the ego's bluster,  
Flare up internal fire,  
Dismiss its noxious bleeting,  
Eradicate this liar.

Then open up to Me, dear,  
Feel *love* come pouring through  
Healing and redeeming,  
*With love, transforming you!*

In closing, I invite you,  
To join right now with Me,  
My love, My arms wide open,  
I wait, expectantly!
