

God's Meaning Manifest

Bring forth your gifts to others,
Open up your heart,
Let God's love flow through you,
So you can do your part.

You're meant to bring God's meaning,
You are His point of light,
His gift of love brought through you,
Has power to make things right.

You say, I'm just one person,
Flawed and needy, too,
How could I ever help there,
To bring God's meaning through?

Remember that your Being,
Is perfect, whole, and free,
Spiritual in nature,
You hold love's mastery.

You issue forth from Source, dear,
And love is what you are,
You're *meaning* there, made manifest,
You are His shining star!

Just join *within* to Me, dear,
Let separation go,
We'll remove the clouded barriers,
Your love will freely flow.

Your gift will be yourself, dear,
Free from ego's spin,
When listening and following,
The Voice for Truth within.

No need to plan an outcome,
A strategy, a deal,
E'en with good intentions,
A mind alone's not real.

So live your life with Me, dear,
Your mind is now at home,
And what unfolds so marvelous,
From here, you'll never roam.

You are God's meaning manifest,
With Him you move as ONE,
We'll move to awaken others,
'Til awakening is done.

In closing let Me tell you,
I love you, as my own,

I am with you always,
You'll never be alone.
