

## **Your Choice Makes All The Difference**

Do you find your mind is crowded,  
Filled with judgement, fear, and blame,  
Has your ego mind been busy,  
Playing separation's game.

Has finding fault with others,  
Been a constant defense there,  
Ego says 'just leave them,  
Not worth your time and care.'

You have a choice to make there,  
In how, your mind, you use,  
Choose peace and Transcendent wisdom,  
Or ego's faulty ruse.

Your choice makes all the difference,  
In how you live your life,  
With Me, love guides our way, dear,  
The ego mind yields strife.

Persistence is what's called for,  
Turn your mind My way,  
Ego mind will disappear,  
Like ice on a sunny day.

No need to be defended,  
For love will never cease,  
God's meaning for All creation,  
As One, we live in peace.

So open up your mind, dear,  
To whom you really are,  
A Child of Source forever,  
You are His Shining Star.

Choose for Mind connected,  
With joy and bliss, be filled,  
Joined with Me, forever,  
We live as God so willed!
