

## **On Solid Ground**

Worried about My Presence?  
Afraid that I'm not there?  
This could never be, dear,  
One life, one love, we share.

Without our constant joining,  
Your mission won't get given,  
Empty you will feel, dear,  
No longer Spirit driven.

You got involved with others,  
Forgot to bring Me through,  
Ego mind jumped right on in,  
And doubt and fear filled you.

Like a whirling leaf adrift,  
You spun in ego's ways,  
Moving without purpose,  
Unsettled were those days.

You're back to our connection,  
Your transcendent home now found,  
Love surrounds, renews us,  
You're back on solid ground!

Each day we share together,  
Completeness enters you,  
Never old, nor boring,  
Each day we feel brand new!

Yesterday is gone, dear,  
Let's sing a joyous song,  
Together as God wills, dear,  
You're home where you belong!
