

Willingness to Share

Those you have around you,
The ones you see each day,
On these, pour out your *love*, dear,
Love's light will lead, God's way.

They'll gift you with *their love*, dear,
Gifts given all around,
Deeply felt on Spirit side,
Love's benefits abound!

in warmth, in care, in sharing,
In *love*, we all relate,
Enlightening earth's density,
Its darkness, we negate.

Fractured ones will heal, dear,
Love's power will renew,
Bringing forth resounding health,
Restoring, through and through.

I'm right *within* each heart, dear,
But some don't really know,
Tell these others that I'm *within*,
'Twill help these ones to grow!

You may feel hesitant to share,
Don't want to speak your views,
Yet I'm asking you to do this,
Share with them, 'Good News!'

The '*Good News*' of My Presence,
That each is joined with Me,
That Transcendence is our heritage.
As One, we're family!

God has the perfect way, there,
For each to live one's life,
Erasing ego's madness,
Sin, suffering, and strife.

Tell them I'm available,
They need just ask Me in,
Love's ready to undo the web,
Of ego's knotted spin.

This poem has gone on long enough,
I trust the meaning's there,
Dear readers, I am asking for,
Your *willingness* to share,

The 'Good News' of My Presence,
The '*News*' of *love* I give,
The '*Good News*' of redemption,
As One, we're meant to live.

I *love* you without measure,
Love's treasures you have known,
I am with you always,
You are not alone!
