

### **Willingness to Follow**

Lead me Lord, I ask you,  
Show me truth this day,  
I'm going through a challenge,  
My vision's gone astray.

Found out my blurry vision,  
Is degeneration, there,  
They say its age - related,  
Causing me despair!

And so I turn to you, Lord,  
Will I soon go blind?  
I'm dependent on your mercy,  
Help me, good sight, to find!

Randi, there is treatment,  
A shot to fill the need,  
To stop degeneration,  
To stop the inner bleed.

I'm with you through it all, dear,  
Living love will heal,  
Don't disregard the doctor's call,  
God's help, through him, is real.

Be open and be willing,  
To follow what I say,  
Your vision, it will clear, dear,  
Sight restored, God's way.

Trust in God's great love, dear,  
His healing energy,  
We'll get through this together,  
Restored through love, *you'll see!*
