

Truth Will Be Revealed

You'll know without a doubt, dear,
Truth will be revealed,
No need to *make* things happen,
No heavy hand to wield.

Yes, intention is important,
And seeking earnestly,
The answer's not a 'maybe,'
'Twill be a certainty.

You *cannot* make things happen,
Nor force things to occur,
God's timing is His own, dear,
Just patiently endure.

I'll let you know for certain,
No guessing game 'twill be,
You'll know for sure the answers,
You'll find sweet harmony!

Self-will is not God's will there,
He sees the entire view,
Many are impacted,
Blessing more than you!

Five things are truly needed,
For manifestation to occur,
These things hold in your Mind, dear,
Blessed, you'll be, for sure.

There's *intention* and there's *trust*, dear,
Living love, My guidance, too,
God's purpose must be present,
Manifesting all that's new.

So find your peace, your patience,
Yet fall not into complacency,
Stay tuned and in touch with Guidance,
Hold your mind with expectancy.

Truth will be revealed, dear,
Have no doubt, nor fear,
I'm with you now and always,
Find joy, in love, so dear!
