

The Light of Love

Within each heart is streaming,
The light of living love,
Shining forth it's beauty,
'Tis what we're all made of.

Love fills God's Whole Creation,
His meaning ever clear,
Each One includes the Wholeness,
And that means you, my dear.

Your mind's the point of entry,
When in peace, you choose for Me,
The gates of *love* fling open,
Behold! *Love's* ecstasy!

It bathes you and it heals you,
'Twill renew, redeem, transform,
Each day, a new beginning,
Each day, you are reborn!

Love's light erases darkness,
Correcting all that's wrong,
Your heart and soul reverberate,
Sing out Transcendent's Song!

Love's light, it is a beacon,
Shining forth God's will,
Follow where it leadeth,
Your mission to fulfill.

This *love*, 'tis our foundation,
So turn within to Me,
Bound as One, together,
This *love*, our certainty.

In closing let Me say again,
I long to be with you,
My arms are here wide open,
Come home to *love* so true.
