

## **Let's Wake A Sleeping World**

Caught in separation,  
Minds are fast asleep,  
Unaware they're all connected,  
Their ignorance runs deep.

Choosing for separation  
Defenses came into play,  
As fear drove self protection,  
Innocence lost its way.

The world needs to wake up,  
To slough off ego's spin,  
To claim its true identity,  
Find God right there *within*.

The truth that all are spiritual,  
In God, our matrix found,  
Issuing forth from Source there,  
As One, we're Spirit bound.

He created you *not* as solo,  
'Twas *you* who parted ways,  
Until you 'get' you're not alone,  
You'll sleepwalk in a daze.

You've *always* been connected,  
Shake off your blinded sight,  
Turn *within* and ask for Me,  
Wake Up! Let in the light!

Let the separated mindset,  
A system of defense,  
Be gone like ice that's melted.  
Now joined, let life commence!

Let those who live *united*,  
Help *wake up all the rest*,  
To move our planet forward,  
*In Love's Eternal Quest*.

In closing, I can tell you,  
Alone you'll never be,  
I'm with you and I love you,  
In peace, you are with Me.
