

Relationship Brings Meaning

Quiet the thinking mindset,
The ego's spin, delete,
In peace, I'm there to join you,
In relationship, so sweet.

Yes, guidance will be given,
I'll answer what e'er you ask,
Relating *itself*, brings meaning,
In love's warm light, we bask.

Relationship's the answer,
To why you turn to Me,
In Mind, at home, together,
We live transcendently.

What fulness and what joy we share,
In big things and in small,
Listening for what's needed,
We answer to God's call.

Each day is like none other,
Love brings what's fresh and true,
Revealing what God willeth,
His love makes all things new.

Life's a great adventure,
Like pioneers we live,
Discovering unknown pathways,
In how we love and give!

We embrace each other fully,
For indeed, we all are One,
One movement of Creator,
With love, it all is done!

In closing, let Me share again,
What you so well have known,
I am with you always,
You live, not there, alone.
