

## **Refute The Diagnosis**

You're not being an obstructionist,  
Just claiming right what's true,  
The diagnosis given,  
Leaves out the spiritual 'you.'

You're held in your Creator's mind,  
As perfect, whole, and free,  
Therefore what the doctor's claim,  
Truly, cannot be!

*Means not* you're in denial,  
Just firmly take a stand,  
Let *living love* bring healing,  
Correction's right at hand.

Don't 'buy in' to all they tell you,  
In mind, you know what's best,  
You're first and foremost spiritual,  
God's perfection, manifest.

Claim this as your birthright,  
Your true heredity,  
You're held as perfect in God's mind,  
*Nothing else can be!*

Living love's the power,  
Pours forth transcendently,  
Healing, correcting, expressing,  
The way you're meant to be!

Don't feel down hearted, broken,  
Erase the ego's spin,  
Together now and always,  
I'm there for you within.

We'll get through this together,  
With joy we'll face each day,  
Now and for forever,  
I'm with you all the way!
