

A Sacred Promise

My promise is forever,
It has no ending date,
I said I would be with you,
As One, we would relate.

These words, not wishful thinking,
Their relevancy still real,
Transcendent Mind in joining,
Redeems, renews, will heal.

You can't find this Mind alone, dear,
Not found in separation's call,
Imperative our joining,
To open to The All.

I'm standing at the flood gates,
Where *living love* pours through,
Transcendent Mind's full meaning,
Now guiding, blessing you.

This Mind of One yields wonders,
Beyond one's wildest dream,
Pouring forth its blessings,
Through *living love* they stream.

My hand is reaching out, dear,
Hold on and step towards Me,
You've reached your home at last, dear,
You've found sweet sanctity.

A Mind that's joined with Me, there,
Knows authenticity,
Nothing but the truth meets you,
It's your heredity.

My promise holds forever,
Don't fear you're out of time,
Join and find our friendship,
Sweet ecstasy sublime!

A promise made forever,
Hold it as your own,
I am with you always,
You are not alone!
