

## **The Habit of Togetherness**

Do you feel unsettled?  
Perhaps received some news,  
That left you feeling fearful,  
It's time for you to choose.

Choose for our togetherness,  
I'll guide you to what's true,  
Fear will disappear, dear,  
In peace we'll see things through.

What's needed is simple action,  
Not arduous the way,  
Slight change in how your living,  
We'll take small steps each day.

A habit can be changed, dear,  
Just takes a constancy,  
You're not alone to do this,  
I bring Transcendancy!

The power of the Father,  
When love is brought to bear,  
Renews, transforms, redeems, dear,  
It's right within, right there!

So take my hand this moment,  
Your fear will be erased,  
The old way there of living,  
With love, will be replaced.

Daily we will do this,  
Until new habits form,  
The habit of our togetherness,  
Will be, for you, the norm.

I close with reassurance,  
That you are not alone,  
We're joined as One together,  
I'm yours and you're My Own.
