

## **Prescription for What Ails You**

When a part of you is hurting,  
Be it back or knees or head,  
Focus on that region,  
Then remember what I've said.

I've said I'm at the floodgates,  
And as you join with Me,  
*Living love* will pour on forth,  
Healing perfectly.

I am The Great Physician,  
I see what's ailing you,  
*Living love* the powerhouse,  
Will soon make all things new.

Don't call this wishful thinking,  
A pipe dream that's not true,  
The scribe's been healed many a time,  
She says, 'I feel brand new.'

She's witnessing to truth, dear,  
She's wants you all to know,  
Healing's truly possible,  
As you let *love* flow.

So when next you feel upset, dear,  
Find your peace within,  
Ask that I will help you,  
Let *living love* right in.

It's not that this is magic,  
Though it may seem to be,  
*Living love* makes all things right,  
Knows you're perfect, whole, and free.

Let your doubting go, dear,  
Trust, then call on Me,  
Manifesting healing,  
'Tis *love* that sets you free.

My prescription's not time dated.  
The remedy is free,  
I am your Great Physician,  
My *love* I give to thee.
