

Tell Them That I Love Them

Waiting for the words, Lord,
I'm joined within to you,
What message would you like to give,
The ones who know they're true.

Let's tell them that I love them,
That I will never leave,
I'm with them now and always,
Just open to receive.

Let's tell them that they're innocent,
No judgement comes from Me,
Each one is spiritually holy,
Perfect, whole, and free.

They issue forth from Source, dear,
Love and light they are,
God's meaning there incarnate,
Each one's God's Shining Star.

They need not earn this stature,
It's there, inherently,
Each one of utmost value,
Completes the Entirety.

Tell them I am with them,
Such joy that we can share,
Aloneness gone forever,
Know fully, that I care.

In closing of this simple poem,
One last thing I'd say,
Don't wait a minute longer,
Join with Me this day!
