

Good News!

The separated mindset,
This made-up use of mind,
Seems real, but is illusion,
Defenses there, you'll find.

It poses as protection,
Says defenses justified,
Says the world is filled with danger,
Your fear, now amplified!

Ego's a marauder,
A mind split off from Source,
Defenses made when you, dear,
Left God, and chose divorce.

Fear became the master,
As now you were alone,
A branch divided from its Source,
Now seeds of hate were sown.

I came to give you good news,
To share the truth with you,
God has never left you, dear,
And *love* makes all things new!

I'm here right in your mind, dear,
Find peace and join with Me,
The ego's gone like melted ice,
Behold! Transcendancy!

We'll live your life as One, dear,
Now *love* will lead our way,
Its light will be our guiding star,
With joy, we'll move, each day.

In closing, let Me share again,
Good news that you have known,
I am with you always,
You are not alone!
