

Living Love's So Powerful

Living love's so powerful,
Not idling passively,
God's meaning is transformative,
Renewing constantly.

It knows what's really needed,
Has the Transcendent view,
Know's what provides fulfillment,
Much better, dear, than you.

The calls to open to it,
By turning first to Me,
Then joined with the Transcendent,
Love pours forth furtively.

Perhaps you have a sickness,
Finances there are poor,
Your partner has betrayed you,
Great pain you now endure.

These things can all be righted,
God wants His Grace for you,
Living love His meaning,
This *love* makes all things new!

Not an idle promise,
The timing's in God's hand,
I'm with you there each moment,
To help you understand.

Intend for healing, help, dear,
For *love* to set you free,
You realize most fully,
You're perfect, whole, and free.

In closing, I see you're thankful,
For healing, that's right there,
Delighted in this outcome,
Such joy, in this, we share!
