

Relationship Is The Answer

Do you find yourself alone,
Without a friend in sight,
Seeing all the time ahead,
Alone, both day and night.

Do you hunger for a partner,
Who wants to be with you,
Who finds joy in being together,
Who you want to be with, too.

I tell you with all honesty,
As you join with Me,
The one who's meant for you, dear,
Will come forth naturally.

"Twill be a certain knowing,
Felt within your heart,
You want to be beside this one,
Never again to part.

Joining with Me makes a difference,
I bring Transcendent Mind,
Where living love will leadeth,
Your partner, love will find.

Is this what you really want there?
Perhaps loneliness is a sign,
Of wandering in the darkness,
Separation makes you blind.

Join with Me within, dear,
Find your peace and say,
Lord, why am I empty?
Help me to find the way.

Relationship is the answer,
Just join in Mind to Me,
No longer lost nor alone, dear,
At home, at last, you'll be.
