

## **Stay Open To What's Needed**

The things that make us happy,  
The things that fill our heart,  
It's thoughtfulness from others,  
The kindness they impart.

An email with a picture,  
A call made, letter sent,  
Remembering another,  
Choice made for *love's* intent.

Kindness given with meaning,  
Led by Joined Mind's sight,  
Fulfills God's purpose for you,  
To be His Point of Light.

Other's need's, the threshold,  
Where giving's what's called for,  
Joined, we'll open up your heart,  
Let *living love* outpour.

You'll feel a happy heart, dear,  
For what you sow, you reap,  
The field of love, vast Oneness,  
So what you give, you keep.

In small ways and in large, dear,  
Stay open to the need,  
That others might be having,  
We'll act, as *love* would lead.

Your funds won't be depleted,  
Your energy won't wane,  
Your mental health will flourish,  
In all ways, you will gain.

Stay open to what's needed,  
Eyes and ears alert,  
Then you'll be a blessing,  
Erasing someone's hurt.

In closing, I will guide you,  
Fulfill your needs each day,  
We'll live in joy together,  
Following *love's* way!
