

A Cause For Celebration

People's minds are opening
And here's the reason why,
They want to know if I'm within,
They're giving Me a try.

They've put down their defenses,
Found peace, then asked Me in,
The Voice for Truth they've heard now,
They've let go ego's spin.

More and more have found Me,
Let go of disbelief,
In quiet celebration,
They're feeling such relief.

They know that they're connected,
Held safe in Creator's Mind,
At last the veil is lifted,
No longer are they blind.

Accompanied with Me, there,
They've found a Friend, so dear,
The Solidarity of Oneness,
Banishes all fear.

Gone, the fear of death, now,
The guilt, the shame, the blame,
The ego and its deception,
No longer plays its game.

They've crossed over to reality,
Where loneliness can't reside,
The Oneness of us all, there,
In joy, we all abide.

A cause for celebration,
The awakened throngs rejoice,
More brothers and more sisters,
Are hearing Truth, My Voice!

The movement of God's will, there,
His love will flow on through,
Healing and transforming,
Making all things new.

Dear reader, I implore you,
If you're still on the fence,
Let go your hesitation,
Let our relationship commence!

I love you without ceasing,
I've blessings here for you,
In truth we're One already,
Wake up! Find what is true!
