

To Heal a Broken Soul

When things become so clear to you,
You see a broken soul,
And he's the one you *love*, so much,
His pain can take its toll.

You want so much to help him,
And so you turn to Me,
And in our quiet joining,
There, will answers be.

Each time that you are with him,
Remember, I'm there, too,
Love will guide you forward,
As healing light pours through.

Your part will be to view him,
As perfect, whole, and free,
That's how he's held in God's Mind,
Divinely made, is he.

Your part, also, My dear one,
Is to follow what I say,
God's love will truly help him,
And heal him there, God's way.

I see the wider picture,
And all who are involved,
God's *love* that heals your *loved one*,
Their problems, too, now solved.

Take the time away from him,
To gain your strength and rest,
My *love* within's renewing you,
In joy, our union, blessed.

All you who *love* another,
If that one needs your care,
Remember that *love's* energy,
Will heal your *loved one*, there.

In closing, let Me share again,
What you, by now, have known,
I am with you always,
You are not alone.
