

Stay Firm in Your Commitment

Stay firm in your commitment,
To live your life with Me,
Joined in Mind forever,
With God's Transcendancy.

The clamor of the day, there,
Found you working busily,
It kept you from our joining,
Separate there, from Me.

In the quiet of the evening,
When finally there was peace,
You realized you missed Me,
Your intention now increased.

Intention to return again,
To what you know is true,
Recommitment to our love,
Your mission to renew.

So here we are together,
Joined, a brand new start,
Remembering your commitment,
From love that's in your heart.

*All other things they pale, Lord,
Are empty, hollow, bare,
Only when we're joined, Lord,
Is fulfillment really there.*

*I give my heart to You, Lord,
Complete, with You, no lack,
Show me what God wills, Lord,
With You, I'll not hold back.*

*I'm breathing easy now, Lord,
No more apart I'll roam,
At last, as One, together,
At last, with You, I'm home.*
