

Two Small Poems: The Final Answer and Newness Everyday

The Final Answer

Take a quiet moment, to read this little poem,
Then let the words inspire you, to help someone alone.

A stranger's but a friend in wait, so take the time to care,
The power behind a loving deed, can wipe out deep despair.

These words contain the answer, to help a hurting soul,
Will heal a broken spirit, will help to make one whole.

Love is the final answer.

Newness Everyday

A poet's but a listening scribe, her Muse, the author be,
Thinking is a handicap, clutters creativity.

An open mind joined freely, aligns with what is true,
Transcendent meaning brings forth, that which is brand new.

A poem, a life, a mission, your Muse will lead the way
Grounded yet transcendent, newness, everyday!
