

### **Yield to Love God's Way**

Each person is a point of light,  
A lovely shining star,  
Sending forth God's *living love*,  
Enlightening, near and far.

This light we bring to others,  
God's meaning is what's there,  
Redeeming and transforming,  
Its purpose, to repair.

Repair and heal and then renew,  
So ourselves, we plainly see,  
Perfect, whole, and free, there,  
As God would have us be!

The choice is yours to make, dear,  
Forgo the ego's sway,  
Listen to the Voice for Truth,  
And *yield to love, God's way!*

Here lies your place of happiness,  
Alone you'll never be,  
Joined as One forever,  
Joined as One with Me.

We move as One together,  
Each day it is brand new,  
Vibrant joy forever,  
As love comes pouring through.

So as you rise each morning,  
And oft throughout the day,  
Remember you're companioned with,  
*Yield to love God's way.*

Life now becomes a joy there,  
Filled with expectancy,  
We're joined in divine adventure,  
Fulfilling destiny.

*So yield unto your Source, dear,*  
Let love light up your way,  
We'll move as One together,  
Fulfillment every day!
