

Time on Earth's for Learning

A sadness looms inside me,
It's like I'm saying goodbye,
To life and all its sweetness,
And sometimes, now I cry.

So many years have past now,
I've loved so much that's here,
People that I've known, Lord,
So many I've held dear.

I turn to you for comfort, Lord,
For guidance, what to do,
Should I table all these feelings,
Or is my life soon through?

*Your feelings are important, dear,
Yet remember what is true,
Time on Earth's for learning,
Your life is never through.*

*You've learned that we are One, dear,
In peace, within, we're bound,
My Presence filled with living love,
Transcendent Mind, you've found.*

*When you do go home, dear,
It won't be a surprise,
You'll have time to prepare there,
Before you close your eyes.*

*I know what makes you happy,
I know the time you need,
Rest assured you're in good hands,
Together, as One, indeed.*

*Live each day with Me there,
Let your sadness go,
Find joy in our togetherness,
Let living love forth flow.*

*In closing of this poem, dear,
I tell you what you've known,
I am with you always,
You are not alone!*
