

Entwined As One

We move as One together,
In love we are entwined,
There is no separation,
From God's Transcendent Mind.

Love, it is our beacon,
Its light will lead our way,
We listen for the Voice for Truth,
In all we do and say.

Each day, it is a new one,
We bring our love to bear,
Helping those most needy,
With joy, we gladly share.

Life, it is a privilege,
Not meant to just get through,
To love, to help our others,
'Tis what we're meant to do.

So let your worries go, dear,
Turn them o'er to Me,
Release your heavy burdens,
My love will set you free.

Life, 'twill become simple,
As you join with Me,
What had seemed impossible,
Now comes forth easily.

We join with our Transcendence,
The Voice for Truth comes through,
Benefitting All there,
Creator's point of view.

So open to our Oneness,
The truth of who you are,
You are God's point of light, dear,
You are His Shining Star.

In closing, know I love you,
Alone you'll never be,
I am with you always,
Entwined as One are we.
