

## **Have You Found Your Calling?**

Each person has a mission,  
A calling there, a gift,  
To help a hurting world,  
To heal the gaping rift.

The rift of separation,  
Of minds felt all alone,  
To bring them back to Oneness,  
Where *love's light* will atone.

The gifts of *love* well given,  
Come forth in many ways,  
Each person brings uniqueness,  
In how this *love* displays.

The gifts each one will bring there,  
Intrinsic to that one,  
Will help and heal the broken,  
Allow God's Will be done.

Have you found your calling?  
Has clarity filled your mind?  
In how your gifts are given?  
With Me, you'll surely find,

The truth of why you came here,  
To live on earth again,  
I'll tell you of your mission,  
So we can now begin,

To give your gifts in earnest,  
As God would lead you there,  
It's never too late for *love*, dear,  
It's power, beyond compare!

Your calling, so important,  
Your gifts help others live,  
Meant for you to share, dear,  
Bestowed on you, to give.

I am here right with you,  
To guide you every day,  
In what is your sure calling,  
*Love* will light our way!
