

Let Not Your Heart Be Troubled

Let not your heart be troubled,
Let cares and worries go,
Find peace in our togetherness,
Let *living love* outflow.

Trust that I'm right with you
To weather any storm,
The blowing winds of turmoil,
With Me, *love* will transform.

When life presents a challenge,
Whether big or small,
We'll meet it with our unity,
God's *love* will answer all.

I give you My assurance,
With full integrity.
That I am there to guide you,
Will you join with Me?

Let discontent be gone, dear,
Your wandering in the dark,
With Me, *love's light* will lead us,
Heal blindness with its spark.

The ego feeds on turmoil,
It churns and spins its tale,
It's just a made-up mindset,
Ignored, it can't prevail.

Living love's the reason,
I come, in mind, to you,
To free you from miasma,
To wake you to what's true.

You are a child of God, dear,
It's your true heredity,
Living love, your birthright,
We're siblings, family.

This message that I give you,
Repeated once again,
It's truly all important,
With Me, let truth begin.

My love for you unbounded,
I'm here to set you free,
Never are you alone dear,
Together, as One, are we.
