

## **Transcendence Song**

It's time to clear your mind, dear,  
Let extraneous things be gone,  
Find peace and join with Me, there,  
We'll sing Transcendence Song.

A song of love and joy there,  
A melody so clear,  
Its heavenly sound brings rapture,  
To all who lend an ear.

Music from the heart comes forth,  
With purity it rings,  
And many a tear is shed there,  
For the love of which it sings.

Tears of joy and gladness,  
No sadness will you see,  
Fulfillment now is given,  
As One great harmony.

One movement of our Source, dear,  
One loving gentle song,  
In which perfection reigns there,  
In which there is no wrong.

Love writes the composition,  
Love conducts the music, too,  
Love itself, the choir,  
Transcendence coming through.

Bring divine intention,  
To all you undertake,  
As ONE with love well given,  
There'll be no harsh mistake.

In closing I will tell you,  
Sweet music do I hear,  
Transcendence coming through now,  
Love's singing pure and clear.
