

## **Necessary Meaning**

What does *meaning* mean?  
Why important there for you?  
Without *meaning* there's obscurity,  
Purpose is gone, too.

Without purpose and without *meaning*,  
You're just like a machine,  
A puppet or a robot,  
Perhaps, a jumping bean.

Without *meaning*, life is random,  
No direction will it take,  
Blown about by winds of change,  
Life seems a big mistake.

Even ego mind has *meaning*,  
It seeks to obfuscate,  
To keep its system going,  
It feeds on fear and hate.

Money, fame, and power,  
Some choose these as prime,  
Without *love* they're empty, hollow,  
You'll find they waste your time.

The *meaning* that you choose, dear,  
Charts life's course for you,  
Joined with your Transcendence,  
God's will, through *love*, comes through.

*Love* is the very *meaning*,  
That God's created you,  
You are His own beloved,  
*Love's* what make it true.

As you get to know Me,  
Find joy and comfort there,  
You'll want no other *meaning*,  
Nothing can compare.

You'll open to My *love*, dear,  
It heals, redeems, renews,  
Our *love* is *meaning* manifest,  
Our Oneness, you will choose.

This poem is not just words, dear,  
Its *meaning's* there for you,  
Turn within to Me, now,  
My *love* is there for you.
