

The Difficult Made Easy

Those things that seemed impossible,
You thought could never be,
Now seem very doable,
When joined *within* to Me.

Transcendent Mind will show you,
The roadmap to success,
No longer will the problem seem,
A complicated mess.

Living Love, God's meaning,
Its function to renew,
Transforms what seems impossible,
The answer will shine through!

Your heart now fills with gratitude,
Right has banished wrong,
Lightness fills your being,
And joy fills up your song!

So bring your woes to Me, dear,
No problem is too great,
I'm here to show the way, dear,
Your peace, to reinstate.

What's difficult will come, dear,
For life has problems there,
Yet God gives us the answers,
As Love is brought to bear.

So stay in tune with Me, each day,
All challenges bring through,
We'll open to Transcendent Love,
Where all's made right for you.

In closing let Me share again,
What you so well have known,
I am with you always, dear,
You are not alone.
