

No Time Like The Present

There's no time like the present,
Now is the perfect time,
To *join* with your Transcendence,
Our relationship sublime.

Don't put it off 'till later,
For I'll be missing you,
I have so much to give, dear,
And *joining* brings this through.

Find a quiet corner,
Then let your thoughts subside,
Find peace, that place of stillness,
It's here, we can abide.

Directly, I am there, dear,
Not in the atmosphere,
Close as the very breath you take,
Right *within*, I'm here.

Why wait until tomorrow?
Why wait 'til problems rise?
Why wait 'til you feel fearful,
When close to your demise.

We're meant to live together,
Each moment of each day,
Eradicate your loneliness,
Bring joy to you, God's way.

It's as we walk together,
You'll know just who you are,
A child of your Maker,
You are His shining star.

You are His point of light, dear,
Where *living love* comes through,
If you but choose to *join* Me,
That why I'm guiding you.

There's no time like the present,
Turn *inward*, ask, I'm there,
I am your Guide, your Savior,
Nothing can compare!

In closing let Me tell you,
There's naught to be fearful of,
I seek but your fulfillment,
To fill you with God's love.

So let us *join* together,
I urge you *join* this day,
I'm with you forever,
As One, we'll live God's way.
