

## **Perfect, Whole, and Free**

God moves and has His Being,  
*Within* you, there, with Me,  
Intertwined most fully,  
You're perfect, whole, and free.

Let go of definitions,  
That claim you're broken there,  
Guilt ridden and a sinner,  
Suffering in despair.

Remember this most fully,  
You're not just materiality,  
You're spiritual life God-filled there,  
It's yours, authentically.

God does not get sick or hurt, there,  
Has no guilt and has no fear,  
Since He is intertwined with you,  
Claim Wholeness there, my dear.

Let your self definition,  
Encompass who you really are,  
Living Love, you're God-stuff,  
You are His shining star!

Dismiss the ego's mindset,  
That says, "Here's what you're about,  
You're a mortal in a muddle,  
Now you must sort it out."

Dismiss this altercator,  
An imposter wannabe,  
Just defense, and no real presence,  
Come join in mind with Me.

We'll let go of false delusions,  
And claim what's truly you,  
You issue forth from Source, dear,  
You're perfect, through and through.

This comes because I love you,  
Please turn within to Me,  
I'm here to let you know dear,  
Alone, you'll never be.
