

Never Alone

We share in life together,
We're One in all we do,
There's nothing that can sever,
Transcendence coming through.

Whatever is unfolding,
Whether great or small,
Is met with conscious joining,
'To listen,' is the call.

Such comfort and such peace, there,
You'll find, when joined with Me,
Life holds such joy, such beauty,
It brings such harmony.

Fortified with truth, dear,
You know just who you are,
You carry God's deep meaning,
You are His shining star.

I'll help you through the pitfalls,
I'll guide your forward way,
My love for you unceasing,
We'll live, in grace, each day.

Just find your peace inside, dear,
Then ask that I join you,
With open arms I'll answer,
I'm here, with love, so true.

Aloneness now is gone, there,
'Twas never really there,
For always we were joined, dear,
You were just unaware.

Now you know I'm here, dear,
Right now, please ask Me in,
I have so much to give you,
Let gifting now begin!
