

The Causal Place

It is God's place of meaning,
The place of Transcendent Mind,
Ready to avail itself,
When joined, with Me, you'll find.

All issues forth from here, dear,
One vast spirituality,
Love Is the very substance,
That brings real harmony.

The *Causal Place* is home, dear,
In peace, please join with Me,
We'll enter sacred realms of bliss,
Such joy, such ecstasy!

The *Causal Place* when lived from,
Will bring forth what God wills,
No better way to live your life—
True purpose, it fulfills.

Find peace *within*, and ask, dear,
And I will answer true,
I'm ready and I'm waiting,
To join, as One, with you.

We'll move as One together,
God's movement, bright and new,
Radical transformation,
Love's function brings it through.

The *Causal Place* brings purpose,
The why and wherefore there,
The reason for it all, dear,
God's love for All to share.

No one's left out or all alone,
All are included there,
The *Causal Place's* for everyone,
Join Me, I really care!
