

Your True Security

When you live joined with Me, dear,
Security's what is found,
No longer wandering all alone,
As One, we're tightly bound.

No longer blown and tossed about,
As cut off and unlatched,
Woven inextricably,
We're intertwined, attached.

Our bond was never severed,
'Twas *always* there for you,
At last, you've chosen for Me,
You've found security true.

Your place with Me is certain,
Let go of hesitancy,
Our relationship's unwavering,
We're One intrinsically.

You'll never be rejected,
That's an impossibility,
God's Oneness includes you, dear,
It's your heredity.

Let go of fear and holding back,
Your worries don't belong,
Love's God's greatest healer,
'Righting' all that's wrong.

I'll open up love's door, dear,
It's there in Transcendent Mind,
'Twill wash away insecurity,
Pure joy is what you'll find.

Find strength in our togetherness,
Let God's love lead the way,
Shinning light to others,
We'll move as One each day.

In closing, I love you dearly,
True security now is known,
I am with you always,
You are not alone.
