

## **I'm Here For You**

I'm here to reassure you  
As problems seem to mount,  
That things will work out fine, dear,  
For all those things that count.

I'm here to safely guide you,  
Through troubled waters, there.  
Turbulence will end soon,  
And love will clear the air.

Let go of agitation,  
Anxiety, despair,  
Find peace with One who loves you,  
I'm here and deeply care.

The way will become clear, soon,  
As love is brought to bear,  
Making right what's wrong, dear,  
Love's function to repair.

Quiet ego's thinking,  
Allow for inner peace,  
Turn within and find Me,  
The grip of fear, release.

Remember that your Creator,  
Made you perfect, whole, and free,  
Claim this as your inheritance,  
All else is falsity.

Let go of jumbled feelings,  
Fear's harsh cacophony,  
Let peace and joy be felt, dear,  
Hear love's sweet harmony.

In closing I restate again,  
The truth that you have known,  
I am with you always,  
You are not alone.
