

The New Year Stands Before You

The New Year stands before you,
You've let go of the old,
Will it bring joy or sorrow?
How will it all unfold?

Let Me paint a picture,
Of how it all could be,
I see a glowing canvas,
There, in light, are we.

I see our forward movement,
Many changes there,
The old has served its purpose,
The new brings much to share.

The fulfillment of your mission,
Now fills up your Mind,
We teach and share the good news,
That I'm *within* to find.

The happiest days now do come,
As one-to-one we teach,
The message of God's Oneness
Each heart and mind, we reach.

Nothing brings us greater joy,
In peace, we find our bliss,
Shining love to others,
Fulfillment rests in this.

We'll live each day together,
For truly, we are One,
And continue on forever,
For love is never done!

So welcome in this new year.
Embrace our joy each day,
I am with you always,
And love will light our way!
