

You're Called To Be A Blessing

I'm calling you to listen,
To words meant there for you,
You're called to be a blessing,
To let God's *love* shine through.

Find the inclination,
To always turn *within*,
Make it first and foremost,
With Me, your day, begin.

I'll guide you in your footsteps,
To where there is a need,
Where what you give's a blessing,
Will help that one, indeed!

Your opening to Oneness,
Means *living love* pours through,
It heals, redeems, transforms, dear,
Will heartily renew.

Remember that a blessing,
Gifts not just one, but two,
When your *love* helps another,
It's also helping you.

You're called to be a channel,
Where *living love* will stream,
In truth, this is your mission,
To shine *love's* healing beam.

I'll guide you in the know-how,
Just what to say and do,
Listen and then follow,
Miracles will ensue!

You're called to be a blessing,
Let's go forth with this in mind,
Joy will fill your cup, dear,
True *love*, with Me, you'll find.
