

## **Call for Vigilance**

You can't predict the future,  
You don't know what will be,  
Listen closely as we go,  
God's will comes forth with Me.

Each step is necessary,  
We follow *love* each day,  
God's will our only destiny,  
His *love* lights up the way.

You came to earth with purpose,  
You've found your mission, cause,  
Let's move ahead with gusto,  
Don't feed delay, nor pause.

Your days ahead are numbered,  
Your earth time has an end,  
Not meant to scare you, nor alarm,  
An urgent call we send,

A call to not procrastinate,  
A call for vigilance there,  
This is the time for mission,  
Time to fully share.

Share that I'm available,  
Directly in each mind,  
Not as a nice idea,  
But as a Friend, divine.

The world needs to know this,  
I am the missing key,  
To unlock each one's *living love*,  
To live from Transcendancy.

So listen closely to Me,  
Pay attention, there,  
We'll move directly forward,  
God's gift to all we'll share.

In closing let Me state again,  
What you by now have known,  
I am with you always,  
You are not alone.
