

## **Cherish the Days**

Your days on earth are numbered,  
The count, a mystery,  
Yet one by one they flow on by,  
One day, an end there'll be.

These days, meant to be cherished,  
Please go *within* and find,  
A relationship of *love*, dear,  
Join Transcendent Mind.

Fear not! Your life's not over,  
When, this earth, you leave,  
The end's but the beginning,  
Have faith, have trust, believe.

Your spiritual home is waiting,  
You'll be welcomed home, God's way.  
But while you are on earth, dear,  
Live joined with Me each day.

There's still so much to give there,  
Your mission still not done,  
Tell others that I'm there *within*,  
*Directly* for each one.

Stay focussed on My *love*, dear,  
Here, you'll find such peace,  
A gentle, firm, foundation,  
Such comfort will not cease.

So go about your days, dear,  
Together now we'll live,  
God's *love* will fill our hearts, dear,  
Abundantly, we'll give.
