

Fulfilled in You

Will today be any different?
Lord, what will, for me, unfold?
Will guidance give me answers?
To questions put on hold?

I'm ask to trust in you, Lord.
To forgo the ego's say,
Of figuring it all out all by myself,
And trust Transcendence's Way.

I'm asked to listen closely,
And follow what I hear,
You'll guide me to the answers,
You'll make them loud and clear.

Each day there're steps to follow,
I walk them not alone,
For you are right beside me,
My friend, so dearly known.

You say there will be change soon,
Brand newness meant for me,
Fulfill the promise that I made,
Before in-carnality.

I chose to come to earth this time,
To tell humanity,
That You're directly there within,
That aloneness cannot be!

This is an easy message,
For I know so well it's true,
You've made my life a joy, Lord,
I live, as One, with You.

No matter what unfolds, Lord,
I'm secure in what is true,
My bulwark never failing,
Fulfilled am I, in You.
